Good Dutch cows are held at \$150 each, and are kept on land which often brings a larger yearly rental than would buy good improved American farms outright, and yet these Hellanders pay had produced a fatal lesion. rent and make money besides. They are a thrifty people and know a good public men and decuments through cow when they see her.

An Eastern exchange says: "Indians in the United States last year 407 head of cattle, 30,471 swine and corn, 512,137 bushels of oats and bar- after finding that they were scandaley, 524,010 bushels of vegetables, and 101,828 tons of hay." The number of scalps "raised" is emitted.

The bagging trust has advanced the price another quarter of a cent a pound, making the range from 114 to 184 It is claimed that a still further advance is to be made soon. The most important move taken against the monopoly was that inaugurated in Hancock county, Ga., by the Farmers Club. It was resolved to begin an organized boycatt against the trust, upon the beauty of some of the women been requested to follow snit.

Railings of a Divinc

[Globe-Democrat.] Brother Talmage's spell, in which he fell to praising science, was a short one. New he comes to the front with this sort of mischieveus, anarchybreeding talk: "The Puritans took AT possession of this land in the name of eral days, or perhaps two weeks, in Christ, and it belongs to him; if peeple de not like this religion let them emigrate. Let them go to Greenland, and we will provide them with mittens; or to the South Sea Islands, and we will send them ice-coelers. Our Legislatures and Congress shall yet pass laws radieally evangelical." "Darour institutions of learning.
